

ORION™

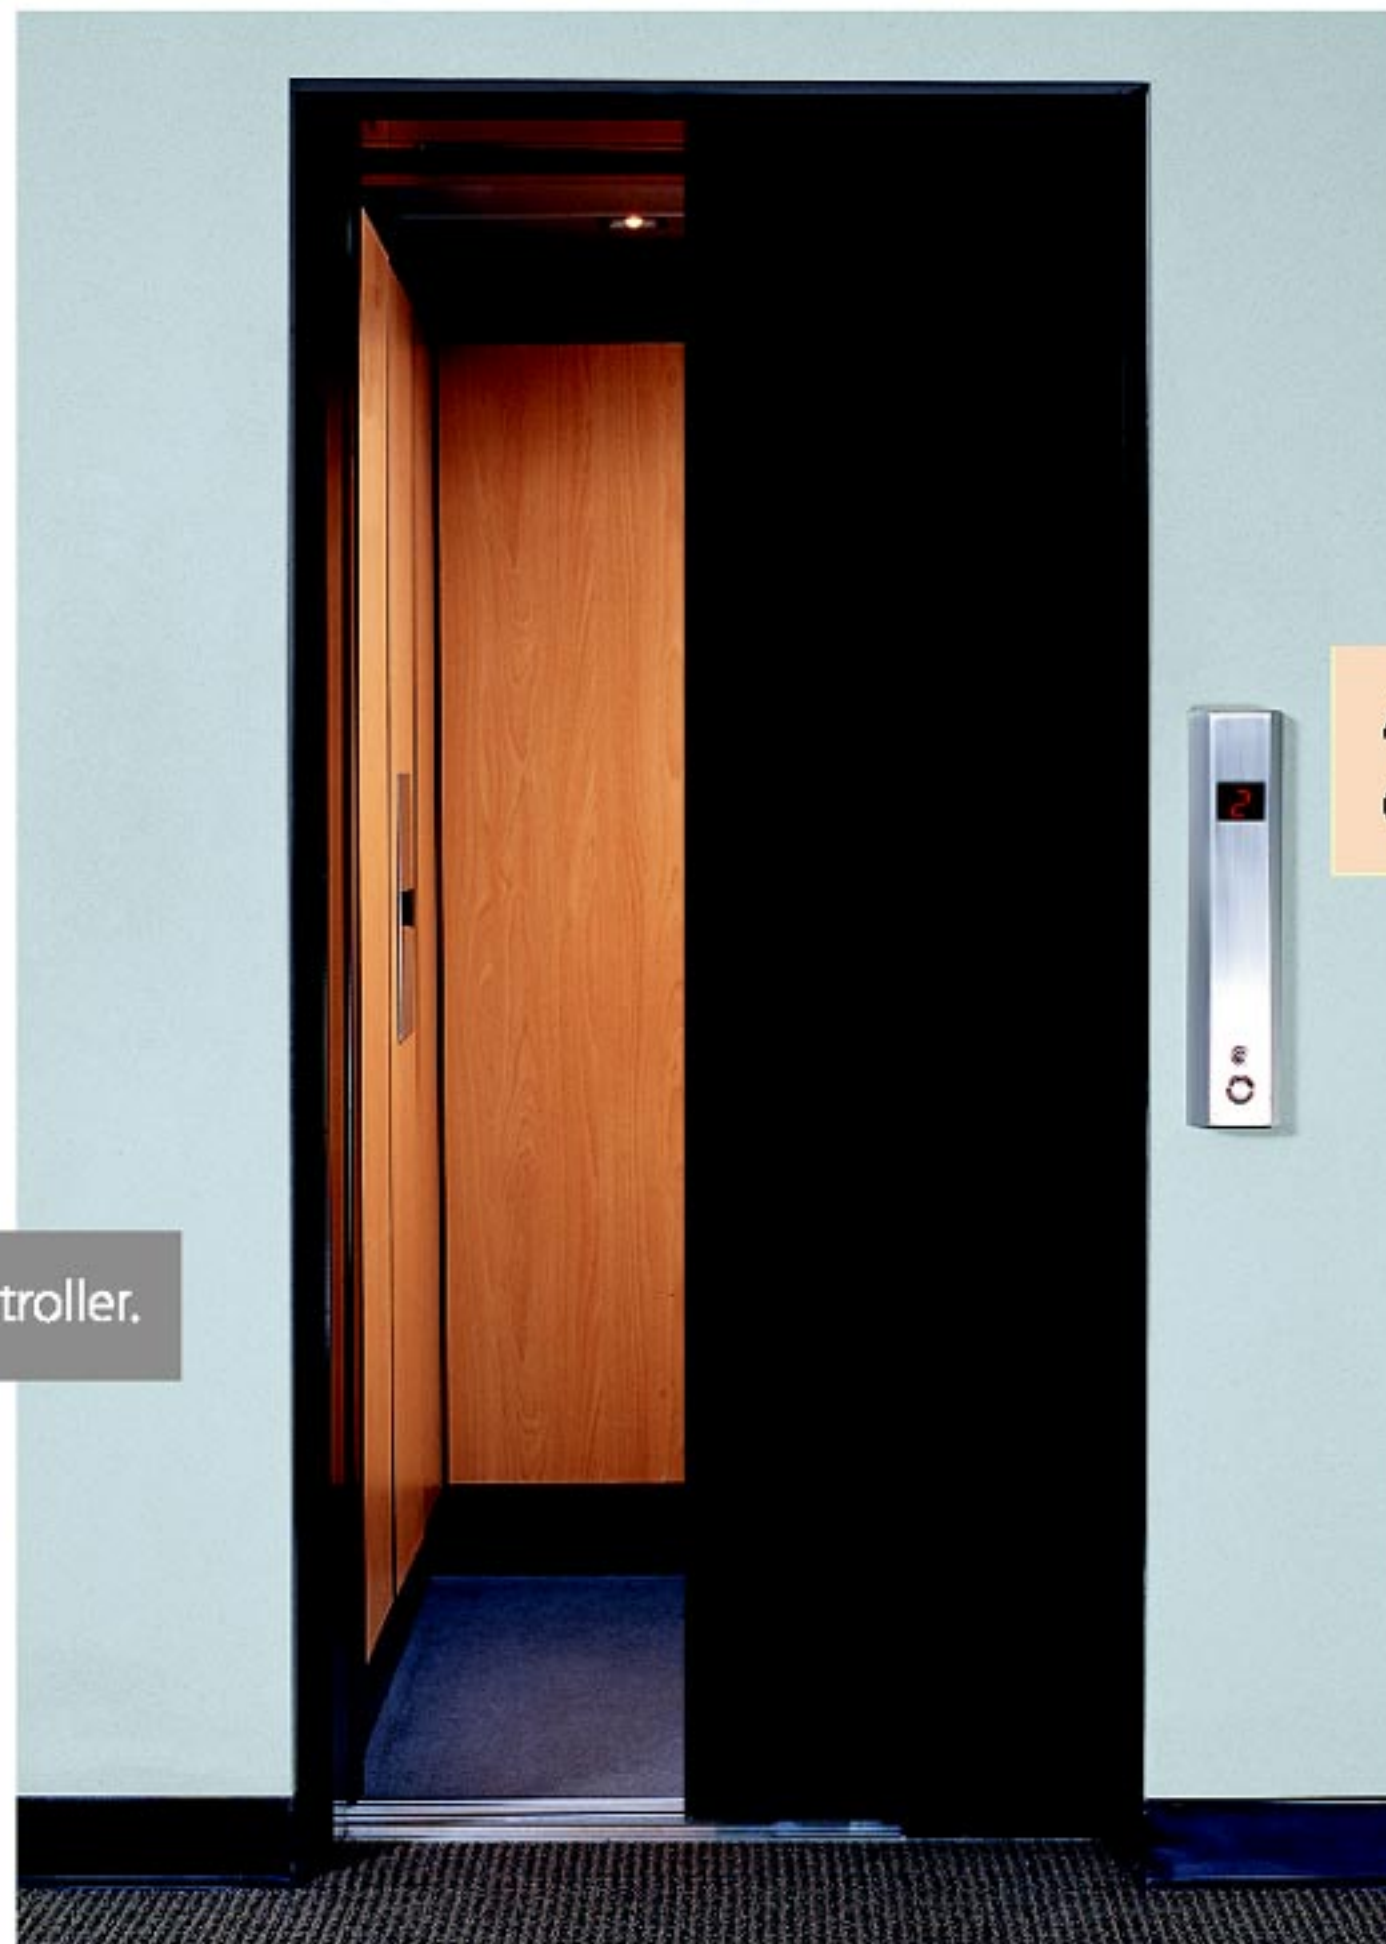

COMMERCIAL LU/LA ELEVATORS

HIGH TECH • HIGH STYLE • HIGHLY RELIABLE

14200/CON
BuyLine 9404

The Concord ORION establishes a new benchmark for commercial LU/LA elevators. Featuring the same components found in multi-story high rise elevators, the ORION, with its state-of-the-art roped hydraulic drive system and controls, provides safe, reliable, smooth and quiet operation. Its rugged and dependable inner workings are combined with aesthetically appealing cab designs, available in a wide range of colors, to fit any décor. Extremely user-friendly, the ORION combines both affordability and long-term reliability.

State-of-the-art PLC controller.

Attractive commercial grade call stations.

Roped hydraulics for smooth, quiet and dependable operation.

Proven, dependable two-speed door operators.
